Committee Reports:

Venture 13 is a GO!

Kym Read gave us details on the Club’s field trip to Venture 13 – “If you have not yet signed up for our Venture 13 meeting, please do so now”. She said this is your chance to have your say on how we can improve your Rotary experience.

“Together, let’s “Re-oil the wheel”

Our diminutive PP Elaine McDermott stood up (?) and announced she still has “Rotary 100th” pins available and says now is the time to get your “pin on”.

PP Scott MacCoubrey spoke on the foundation walk and its importance to our Rotary Foundation, mentioning that your contribution counts as you donate your way to a “Paul Harris Fellow.” This year’s walk is in Whitby, noted for its pristine streets and trails.

Scott went on to say, “Whitby is anxiously awaiting your arrival for the 2022 Rotary Foundation Walk, please don’t disappoint Whitby”.

Keely, the volunteer coordinator for K9Crusaders, explained the pet rescue's mission and structure. K9Crusaders is a not for profit, volunteer-based rescue dedicated to saving dogs in need. They are a foster-based rescue located in Northumberland County. Foster based rescues rely solely on foster families to help them save animals. Their foster dogs come from a variety of different backgrounds such as pounds and shelters, strays, and surrendered pets, both locally and internationally. Through their network of volunteers, donors, foster homes and veterinarians, they strive to give every dog the loving forever family they deserve.

K9Crusaders has a Board of Directors made up of four dedicated volunteers: Jodi Lane, Anna Goloshapov, Patricia Brodeur, and herself.

Attendance – In person and zoom: 48%

Thought of the Weak;
